

Defense to Multi 2D

Double is the same as if you had made a takeout X of a weak 2 bid in spades...

(2s X.....) leb is on 2nt forces 3c

2d 2h is equivalent to take out X of weak 2 bid of 2h ie 2h X leb is on 2nt forces 3c

pass then X = light TOX

2s or 3h = natural, a response in other major is a cue bid and jumps are natural.

2nt is 16 -18 respond as to a 2nt opening bid

3 of minor is natural

3s = strong and natural (4h is cue bid in response)

4 of minor = 5+ in the suit and 5 + in a major.

4d over 4c asks for the major, 4h over 4d = pass if it is hearts or else correct to sp

the following X are TAKEOUT

2d p 2M X

2d p 2M p

p X

and

2d p 2h p

2s X

responses to all these doubles are the same as after a double of a weak 2 bid. Leb applies if you normally play it over weak 2 bids.

after 2d p 2M

double = take out, 4 of minor is 5 of that minor and 5+ in a major, 4d asks for the major ... 4 of major = pass or correct.....

2nt + 15-18

(i assume they mean... 2d p 2M 2nt)

respond as if to 2nt opener

3 or 4 of major is natural..

2d p 2M 3 or 4 otherM

after 2d p 2h X

2s

double is penalty opposite takeout of hearts

3h natural assuming doubler is short in hearts

after 2d -p-2h-p

2s p p X

double is take out for spades...
