

Fifth Chair

Jordan (aka Dormer in Canada)

After partner opens 1 of a suit and RHO doubles, a bid of 2N is artificial and shows support for opener's suit with game invitational or better values.

Support is 3 or more cards if the suit is a major. I suggest 5 or more cards if opener's suit is a minor.

Therefore, a redouble shows game invitational or better values without support for opener's suit.
